The Public Company may (through the **CONTRACTOR**) recover all such Petroleum Costs in accordance with Article 25, including the Petroleum Costs which it has reimbursed pursuant to Article 4.3(e). In no circumstances will the Public Company, as holder of the Government Interest, be liable for any bonus payable under this Contract in respect of the Government Interest.”

- 3.6 Articles 4.9 through 4.11 are deleted in their entirety and restated:

“4.9 The **GOVERNMENT** may exercise the Option of Third Party Participation at any time prior to and including 30 June 2011 by nominating to the **CONTRACTOR**, in writing, the size of the Third Party Interest and a nominated company which:

- (b) is in compliance with the standards and requirements of the OECD Convention on Combating Bribery of Foreign Public Officials in

International Business Transactions (as may be amended from time to time).

If the **GOVERNMENT** nominates a company to be a Third Party Participant in accordance with Article 4.8 and the previous sentence of this Article 4.9, the **GOVERNMENT** may, at any time prior to and including 30 June 2011, withdraw the nomination for any reason and nominate another company to be the Third Party Participant. 4.11A If either:

- (a) on 1 July 2011, the **GOVERNMENT** has not nominated a Third Party Participant pursuant to Articles 4.8 and 4.9; or
- (b) on 1 January 2012, the **GOVERNMENT**'s nominee to be the Third Party Participant is not a **CONTRACTOR** Entity in accordance with the procedure set out in Article 4.12(b) and Article 4.12(c);

then

- (x) the Parties shall procure that fifty per cent (50%) of the Third Party Interest is assigned to the Non-Government Contractor Entities, so that each Non-Government Contractor Entity is assigned a proportion of such interest that corresponds with its proportion of the Non-Government Contractor Entities' Participating Interest as of 1 January 2012; and
- (y) fifty per cent (50%) of the Third Party Interest is, notwithstanding the provisions of Article 39 or any other Article in this Contract, automatically assigned to a Public Company to be nominated by the **GOVERNMENT** (the "**Government Carried Interest**").

- 4.11B If a Public Company holds the Government Carried Interest pursuant to Article 4.11A, the Public Company will not have any liability to the **CONTRACTOR** Entities to contribute its Government Carried Interest share of any expense, including Petroleum Costs and bonuses, whenever those expenses may be incurred. The Government Carried Interest share of such expenses will be the obligation of the Non-Government Contractor Entities. The Non-Government Contractor Entities will be entitled (through

the **CONTRACTOR**) to recover the Government Carried Interest share of Petroleum Costs in accordance with Article 25.

4.11C The Government Carried Interest is not subject to reduction pursuant to Article 4.13 or any other provision of this Contract.

4.11E A Public Company that holds the Government Carried Interest pursuant to this Article 4 will be individually and separately liable (and not jointly and severally liable with the other **CONTRACTOR** Entities) to the **GOVERNMENT** for any obligations, duties and liabilities under this Contract as a **CONTRACTOR** Entity. Any failure by such Public Company to perform any obligation, or to satisfy any duty or liability, under this Contract as a **CONTRACTOR** Entity will not be considered a default of the other **CONTRACTOR** Entities. The **GOVERNMENT** shall not invoke such failure as a reason to terminate this Contract or to exercise any other rights or remedies in respect of such failure that may be available to it. The capacity of a Public Company as a **CONTRACTOR** Entity, as it may arise pursuant to the provisions of this Contract, shall in no event cancel or affect the rights of the other **CONTRACTOR** Entities to seek to settle a dispute or to refer such dispute to arbitration or expert determination in accordance with the provisions of Article 42.

4.11F Following any assignment by a Public Company of part or all of the Government Carried Interest to a third party in accordance with the provisions of Article 4.11D:

- (a) an assignee which is another Public Company shall have the same rights and responsibilities held by the Public Company in relation to the assigned interest prior to the assignment; and
- (b) an assignee which is not a Public Company shall have the same rights and responsibilities held by the Public Company set out in

Article 4.11B, and shall be jointly and severally liable with the other **CONTRACTOR** Entities.

4.11G Following any assignment by a Public Company of part or all of a Government Carried Interest to a third party which is not a Public Company in accordance with the provisions of Article 4.11D, the provisions of Articles 39.1, 39.2 and 39.3 shall apply to any subsequent assignment of such interest.”

- (1) lift, at the Delivery Point or at such other point as the **GOVERNMENT** may decide, up to forty per cent (40%) of such defaulting Charged Interest Holder's Profit Petroleum; and
- (2) continue to lift up to forty per cent (40%) of such defaulting Charged Interest Holder's Profit Petroleum for the remainder of the Development Period.

(b) A defaulting Charged Interest Holder will have a single cure period of thirty (30) days only in respect of its first default. If the defaulting Charged Interest Holder pays the defaulted Capacity Building Payments in full plus interest in accordance with Article 32.3.2(f) in such thirty (30) day period, the

GOVERNMENT shall not exercise its lifting rights under this Article 32.3.7 in respect of such defaulting Charged Interest Holder. In the case of any subsequent default, the **GOVERNMENT** may exercise its right to lift whether or not the defaulting Charged Interest Holder cures its default in the thirty (30) day notice period.

32.3.8 The lifting rights of the **GOVERNMENT** pursuant to Article 32.3.7 are exercisable by way of set-off, without first resort to legal process, and without any liability or claims of the defaulting Charged Interest Holder, the **CONTRACTOR**, the Operator, or any other Person, and regardless of any provisions of any lifting agreement or provision of a joint operating agreement or any other agreement to which the **CONTRACTOR** or a defaulting Charged Interest Holder is a party. The **CONTRACTOR** shall ensure that all agreements in respect of the lifting or sale of Petroleum reflect the **GOVERNMENT**'s priority rights as set forth in Article 32.3.7 and this Article 32.3.8.

32.3.9 (a) A defaulting Charged Interest Holder shall indemnify the **GOVERNMENT** and each **CONTRACTOR** Entity that is not a Charged Interest Holder (a “**Non-Defaulting Contractor**”) from any Loss or Expense (as defined in Article 32.3.9(c), below) that may in any way arise from the exercise by the **GOVERNMENT** of its rights in respect of such defaulting Charged Interest Holder under Articles 32.3.7 and 32.3.8, provided that a defaulting Charged Interest Holder shall not be liable to indemnify a Non-Defaulting Contractor pursuant to this Article 32.3.9(a) to the extent that the lifting rights of the **GOVERNMENT** pursuant to Article 32.3.7 become exercisable as a direct result of:

- (1) the actions or omissions of such Non-Defaulting Contractor (unless such Non-Defaulting Contractor is required by applicable law or pursuant to a contract to which the Charged Interest Holder is a party to undertake such actions or make such omissions, in which case a defaulting Charged Interest Holder shall indemnify a Non-Defaulting Contractor pursuant to this Article 32.3.9(a));
or
- (2) the negligence or wilful misconduct of such Non-Defaulting Contractor.

- (b) The **GOVERNMENT** or any Non-Defaulting Contractor will retain control over the defence of, and any resolution or settlement relating to, such Loss or Expense of the **GOVERNMENT** or any Non-Defaulting Contractor (as applicable). A defaulting Charged Interest Holder shall cooperate with the **GOVERNMENT** or any Non-Defaulting Contractor and provide reasonable assistance in defending any claims against the **GOVERNMENT** or any Non-Defaulting Contractor.
- (c) “**Loss or Expense**” means any liability, loss, claim, settlement payment, cost and expense, interest, award, judgment, damages (including punitive damages), diminution in value, fees or other charge and, to the extent permitted by applicable law, any court filing fee, court cost, arbitration fee or cost, witness fee, and each other fee and cost of investigating and defending or asserting a claim for indemnification, including attorneys’ fees, other professionals’ fees, and disbursements; but does not include consequential damages. A claim set forth in a notice from the **GOVERNMENT** or any Non-Defaulting Contractor (as applicable) to a defaulting Charged Interest Holder will be conclusively deemed a Loss or Expense if the Charged Interest Holder fails to dispute the **GOVERNMENT**’s or any Non-Defaulting Contractor’s (as applicable) liability by the end of a thirty (30) day period following the effective date of the notice from the **GOVERNMENT** or any Non-Defaulting Contractor (as applicable). The Charged Interest Holder shall promptly pay the deemed Loss or Expense on demand.

32.3.10 The **GOVERNMENT**’s rights under Articles 32.3.7 through 32.3.9 are not exclusive and are without prejudice to the **GOVERNMENT**’s termination rights under Article 45. A default by a Charged Interest Holder under this Article 32 will not constitute a default by the **CONTRACTOR** under Article 45.1(a).

Payments; No Set-off or Deduction

32.3.11 Except as provided in Article 32.3.2(e) and notwithstanding any provision in this Contract to the contrary, each Charged Interest Holder shall pay all Capacity Building Payments without (and free and clear of any deduction for) set-off or counterclaim.

32.3.12 Each Charged Interest Holder acknowledges and accepts that a fundamental principle of this Article 32.3 is that such Charged Interest Holder must pay the Capacity Building Payments owed by

it as and when required. Accordingly, in respect of its obligations under this Article 32.3 only and except as provided in Article 32.3.2(e), each Charged Interest Holder hereby waives any right to raise by way of set off or invoke as a defence to its obligations to pay Capacity Building Payments pursuant to this Article 32.3, whether in law or equity, any failure by the **GOVERNMENT** or any **CONTRACTOR** Entity to pay amounts due and owing under the Contract or any alleged claim that such Charged Interest Holder may have against the **GOVERNMENT**, the Operator, any other **CONTRACTOR** Entity, or any other Person, whether such claim arises under or relates to this Contract or otherwise.

32.3.13 Each Charged Interest Holder shall make Capacity Building Payments to the **GOVERNMENT** by wire transfer of immediately available funds in Dollars in accordance with wire instructions provided by the **GOVERNMENT**. The making of any payments by a Charged Interest Holder under this Article 32.3, or the acceptance or use of any payments by the **GOVERNMENT**, does not impair the rights of such Charged Interest Holder or the **GOVERNMENT** under Article 15. Any dispute between the **GOVERNMENT** and a Charged Interest Holder in respect of the calculation of each of the Capacity Building Value and the Capacity Building Payment due with respect thereto, is subject to Article 15.9.

- 5.1 Articles 36 (*Information and Confidentiality*), 39 (*Assignment and Change of Control*), 41 (*Waiver of Sovereign Immunity*), 42.1 (*Negotiation, Mediation and Arbitration*), and 44 (*Notices*) of the Contract shall apply to this Agreement.
- 5.2 This Agreement does not create any right under the Contracts (Rights of Third Parties) Act 1999 (the “Act”) that is enforceable by any Person who is not a party. The Parties may rescind or vary the terms of this Agreement without notice to or the consent of any third party as defined by the Act.
- 5.3 This Agreement constitutes the final, complete and exclusive expression of the Parties’ agreement on the matters contained in this Agreement. All prior and contemporaneous negotiations and agreements between the Parties on the matters contained in this Agreement are expressly merged into and superseded by this Agreement. The provisions of this Agreement may not be explained, supplemented or qualified through evidence of trade usage or a prior course of dealings. In entering into this Agreement, neither Party has relied upon any statement, representation, warranty or agreement of the other party except for those expressly contained in this Agreement. There are no conditions precedent to the effectiveness of this Agreement, other than those expressly stated in this Agreement.

A waiver made in writing on one occasion will be effective only in that instance and only for the purpose stated. A waiver once given is not to be construed as a waiver on any future occasion. No waiver or amendment in respect of this Agreement will constitute a waiver or amendment of any other agreement between the Parties.
- 5.6 The Parties may execute this Agreement in three counterparts, each of which constitutes an original, and all of which, collectively, constitute only one agreement. The signatures of all of the Parties need not appear on the same counterpart, and delivery of an executed counterpart signature page by facsimile or electronic scan is as effective as executing and delivering this Agreement in the presence of the other Parties. This Agreement is effective upon delivery of one executed counterpart from each Party to the other Parties. In proving this Agreement, a Party must produce or account only for the executed counterpart of the Party to be charged.
