### 3.4 Commercial Discovery of Oil

3.4.1 A Commercial Discovery of Oil may consist of **[REDACTED - SENSITIVE BUSINESS INFORMATION]** which is worthy of being developed commercially. After drilling a Commercial Oil Well, the CONTRACTOR shall undertake as part of its Exploration program the appraisal of the discovery by drilling **[REDACTED - SENSITIVE BUSINESS INFORMATION]**

**BUSINESS INFORMATION]** to determine whether such discovery is worthy of being developed commercially, taking into consideration the recoverable reserves and all other relevant technical and economical factors.

- 3.4.2 The CONTRACTOR shall give written notice of a Commercial Discovery of Oil to the DEPARTMENT immediately after the discovery is considered by the CONTRACTOR to be worthy of commercial Development. With respect to a Commercial Oil Well drilled after the extended Exploration Period (**i.e., prior to the Development Period**) the CONTRACTOR shall give such notice of Commercial Discovery of Oil, not later than **[REDACTED - NOTICE PERIOD CONSTITUTE SENSITIVE BUSINESS INFORMATION]** following the completion of the **[REDACTED - SENSITIVE BUSINESS INFORMATION]** appraisal well, or **[REDACTED - SENSITIVE BUSINESS INFORMATION]** following the date of the discovery of such Commercial Oil Well, whichever is earlier. The CONTRACTOR shall also have the obligation to give a notice of Commercial Discovery of Oil even if the discovery well or wells are not Commercial Oil Wells within the definition of "Commercial Oil Well" if, in the CONTRACTOR'S opinion, a reservoir or a group of reservoirs, considered collectively, could be worthy of commercial Development. Notice of a Commercial Discovery of Oil may be given by the CONTRACTOR at any time during the Exploration Period or any extension thereof.

The CONTRACTOR shall also give notice of a Commercial Discovery of Oil in the event it wishes to undertake a gas recycling project, unless such project is already a part of the Development of a previously declared Commercial Discovery of Oil. The date of a Commercial Discovery of Oil will be the date upon which the CONTRACTOR gives notice to the DEPARTMENT of the declaration for such Commercial Discovery.

- 3.4.3 Following the notice of each Commercial Discovery of Oil as provided for in Article 3.4 of this Agreement, the DEPARTMENT and the CONTRACTOR, within **[REDACTED - NOTICE PERIOD CONSTITUTES SENSITIVE BUSINESS INFORMATION]**, shall sign a Request for Conversion to Development Area, which will identify the Development Area. Simultaneously, the CONTRACTOR shall submit to the DEPARTMENT a preliminary development plan.
- 3.4.4 The provisions set forth herein contemplate the unity and the indivisibility of the concepts of Commercial Discovery and Development Area and they shall apply to Oil unless otherwise specified.

### 3.5 Sole Risk Project

If Crude Oil is discovered but is not deemed by the CONTRACTOR to be a Commercial Discovery of Oil under the above provisions of Article 3.4, the DEPARTMENT shall, after **[REDACTED - NOTICE PERIOD CONSTITUTES SENSITIVE BUSINESS INFORMATION]** from the expiration of the period specified above within which the CONTRACTOR can give notice of a Commercial Discovery of Oil, have the right upon **[REDACTED - NOTICE PERIOD CONSTITUTES SENSITIVE BUSINESS INFORMATION]** prior written notice to the CONTRACTOR, and at the DEPARTMENT's sole risk and expense, to develop, produce and dispose of all Crude Oil from the geological feature in which said Crude Oil was discovered as aforesaid. Said notice shall state the specific area covering said geological feature to be developed, the wells to be drilled, the production facilities to be installed and the DEPARTMENT's estimated cost thereof. Within **[REDACTED - NOTICE PERIOD CONSTITUTES SENSITIVE BUSINESS INFORMATION]** after receipt of said notice, on a preferential basis, the CONTRACTOR may, in writing, elect to develop such area as provided for in this Agreement in the case of a Commercial Discovery. In such event, all terms of this Agreement shall continue to apply to the specified area.

If the CONTRACTOR elects not to develop such area, the specified area (hereinafter called "Sole Risk Area") covering said geological feature shall be set aside for sole risk operations by the CONTRACTOR on behalf of the DEPARTMENT at a rate of remuneration to be agreed upon by the CONTRACTOR (for and on behalf of itself and Range Resources) and the DEPARTMENT. In such event, the DEPARTMENT shall indemnify and save harmless the CONTRACTOR from and against any and all losses, liabilities, suits, costs, actions and causes of action that the CONTRACTOR may suffer by reason of the performance of the CONTRACTOR'S operations on the Sole Risk Area. The Sole Risk Area shall be mutually agreed upon by the DEPARTMENT and the CONTRACTOR on the basis of good Petroleum Industry practices. The DEPARTMENT shall be entitled to have the CONTRACTOR perform such operations on its behalf at the DEPARTMENT's sole risk and expense. When the DEPARTMENT has recovered from the Crude Oil produced from the Sole Risk Area a quantity of Crude Oil equal in value to **[REDACTED - SENSITIVE BUSINESS INFORMATION]** percent of the cost it has incurred in carrying out the sole risk operations, the CONTRACTOR (for and on behalf of itself and Range Resources) shall have the option, only in the event there has been a separate Commercial Discovery of Oil, or Gas elsewhere within the Agreement Area, to share in further Development and production of the Sole Risk Area upon paying the DEPARTMENT **[REDACTED - TERMS CONSTITUTE SENSITIVE BUSINESS INFORMATION]** percent of the costs incurred by the DEPARTMENT in conducting the sole risk operations. At least **[REDACTED - NOTICE PERIOD CONSTITUTES SENSITIVE BUSINESS INFORMATION]** prior to the estimated recovery date, the DEPARTMENT shall give written notice to the CONTRACTOR and allow the CONTRACTOR access to the data to

evaluate the option, as may be requested by the CONTRACTOR. The **[REDACTED - SENSITIVE BUSINESS INFORMATION]** percent payment shall not be recovered by CONTRACTOR. Such DEPARTMENT sole risk operations shall not interfere with the CONTRACTOR'S other operations under this Agreement.

Immediately following such payment the Sole Risk Area shall revert to the status of an ordinary Development Area under this Agreement and thereafter shall be operated in accordance with the terms hereof. Crude Oil from the Sole Risk Area shall be valued in the manner provided in Article 7.4. In the event of any termination of this Agreement, this Agreement shall, however, continue to apply to the operations of any sole risk project.

**ARTICLE 4**  
**WORK PROGRAM AND EXPENDITURES DURING THE EXPLORATION PERIOD**

4.1 Exploration Work Program and Budget

- A Subject to the provisions of this Agreement and to the CONTRACTOR obtaining any necessary regulatory approvals, the CONTRACTOR agrees and commits to undertake in the Agreement Area during the applicable Exploration Period a program of Exploration work as a Minimum Work Obligation as set out in Annex "C" which cannot be changed or amended without the approval of the DEPARTMENT, which shall be given within a period of **[REDACTED - NOTICE PERIOD CONSTITUTES SENSITIVE BUSINESS INFORMATION]**. The Work Program must be fulfilled even if expenses are in excess of the minimum financial obligations. The first Work Program and Budget shall be prepared and submitted to the DEPARTMENT for its approval not later than **[REDACTED - SENSITIVE BUSINESS INFORMATION]** after the Effective Date.
- B During the First Exploration Period, and any extension thereof the CONTRACTOR shall meet the respective Minimum Work Obligation for such period as set forth in Annex "C" of this Agreement. In the event that the CONTRACTOR timely gives the required written notice to the DEPARTMENT to enter into the Second Exploration Period, the CONTRACTOR shall meet the respective Minimum Work Obligation for such period, and any extension thereof, as set forth in Annex "C" of this Agreement.
- C The CONTRACTOR shall have the right to withdraw before the end of the First Exploration Period or any extension thereof, and this Agreement shall terminate on the date a written notice of such withdrawal is received by the DEPARTMENT from the CONTRACTOR; provided that the

CONTRACTOR has fulfilled the Minimum Work Obligations for the First Exploration Period and any extension thereto in effect at the time of withdrawal. In the event the CONTRACTOR withdraws, having expended less than the minimum amount of work obligations required in the First Exploration Period, and any extension, the CONTRACTOR shall pay an amount equal to the difference between such minimum amount and the amount actually spent on Exploration activities to the DEPARTMENT at the time of the withdrawal, but in no event later than **[REDACTED - NOTICE PERIOD CONSTITUTES SENSITIVE BUSINESS INFORMATION]** after the expiration of the First Exploration Period, or such extension as the case may be. Any deficiency in aggregate exploration activity expenditures by the CONTRACTOR at the end of the Second Exploration Period or any extension thereof, shall obligate the CONTRACTOR to pay such deficiency to the DEPARTMENT within **[REDACTED - SENSITIVE BUSINESS INFORMATION]** after the expiration of the Second Exploration Period or such extension thereof, as the case may be.

D Excess work in any portion of the Exploration Period (including extensions) may be carried forward to satisfy the work in a subsequent portion of the Exploration Period (including extensions).

4.2 Subject to Article 4.1.A, at least **[REDACTED - SENSITIVE BUSINESS INFORMATION]** prior to the beginning of each Financial Year or at such other times as may mutually be agreed to by the DEPARTMENT and the CONTRACTOR, the CONTRACTOR shall prepare an Exploration Work Program and Budget for the Agreement Area setting forth the Exploration operations which the CONTRACTOR proposes to carry out during the ensuing Year. During each Exploration Period or extension, such Work Programs and Budgets taken together shall be at least sufficient to satisfy the CONTRACTOR'S minimum work and expenditure obligations for the period it covers, taking into account any credits for excess work or excess expenditures by the CONTRACTOR in prior portions of the Exploration Period.

#### 4.3 Exploration Advisory Committee

The Exploration Work Program and Budget shall be reviewed by a joint committee to be established by the DEPARTMENT and the CONTRACTOR within 15 day after the Effective Date. This committee, hereinafter referred to as the "Exploration Advisory Committee", shall consist of **[REDACTED - SENSITIVE BUSINESS INFORMATION]**, **[REDACTED - SENSITIVE BUSINESS INFORMATION]** of whom shall be appointed by the DEPARTMENT and **[REDACTED - SENSITIVE BUSINESS INFORMATION]** by the CONTRACTOR. The Chairman of the Exploration Advisory Committee shall be designated by **[REDACTED - SENSITIVE BUSINESS INFORMATION]** from among the members appointed by it. The Exploration Advisory Committee shall review and give such advice as it deems appropriate

with respect to the proposed Work Program and Budget. Following review by the Exploration Advisory Committee, the CONTRACTOR shall make such revisions as it thinks appropriate and submit the Exploration Work Program and Budget to the DEPARTMENT for its approval to be given within **[REDACTED - SENSITIVE BUSINESS INFORMATION]**. Following such approval, the CONTRACTOR shall not substantially revise or modify said Work Program and Budget without the approval of the DEPARTMENT.

- 4.4 The CONTRACTOR shall advance all necessary funds for all materials, equipment, supplies, personnel administration and operations pursuant to the Exploration Work Program and Budget and the DEPARTMENT shall not be responsible to bear or repay any of the aforesaid costs. The CONTRACTOR shall be responsible for the preparation and performance of the Exploration Work Program and Budget which shall be implemented in a workmanlike manner and consistent with good Petroleum Industry practices. All contracts greater than **[REDACTED - AMOUNTS CONSTITUTE SENSITIVE BUSINESS INFORMATION]** related to the performance of the work program must be approved by the DEPARTMENT or its duly authorized representatives.

The CONTRACTOR shall entrust the management of Exploration operations in the PUNTLAND to its technically competent General Manager and Deputy General Manager. The name of such Manager and Deputy General Manager shall, upon appointment, be forthwith notified to the DEPARTMENT, accompanied by a curriculum vitae of such General Manager or Deputy General Manager. The General Manager and, in his absence, the Deputy General Manager shall be entrusted by the CONTRACTOR with sufficient powers to carry out immediately all lawful written directions given to them by the DEPARTMENT or its Representative under the terms of this Agreement. All lawful regulations issued or hereafter to be issued which are applicable hereunder and not in conflict with this Agreement shall apply to the CONTRACTOR.
